Roberto and Michele

To Whom It May Concern:

Please be advised that this office represents the above-named couple in relation to their pursuit to adopt a child. It is my understanding that Roberto and Michele would like to place ads in various periodicals to achieve their family goals. They have had a home study conducted by a social worker licensed in New York State, and have been certified as qualified adoptive parents by the Surrogate's Court of Nassau County, New York.

Please do not hesitate to contact my office if you have any questions regarding this couple.

Thank you for your kind attention.

Very truly yours,

Jeanine Castagna
